Patient Benefits:

- **Cholesterol-Bio™** represents the synthesis of current scientific discovery and thought on the integrative medical approach to maintaining cholesterol homeostasis and vascular health.*
- **Cholesterol-Bio™** is a carefully constructed combination of evidence-based ingredients, designed to simplify patient compliance and optimize clinical response. A comprehensive bibliography is available upon request.*
- **Cholesterol-Bio™** is free of wheat, yeast, soy, undesirable excipients and fillers formulated to meet the needs of chemically sensitive patients and provided in vegetable source dye-free capsules.
- The serving size is one capsule; however the formula is designed to allow for flexibility in patient needs.
- The unique ingredients selected for **Cholesterol-Bio™** include custom manufactured, state of the art forms of nutrients and botanicals, chosen for optimal performance.*
- **Cholesterol-Bio™** delivers the most comprehensive nutritional support available for your patients. As you review the label, consider the multi-functionality of **Cholesterol-Bio™**. It replaces multiple products you may currently be using and is not a copy or minor modification of other products.*
